Example: 15 wins 3 Losses

10 wins over a AAA school= 40 points

5 wins over a AA school= 15 points

Record= 15 wins 3 losses= 55 total points/out of a possible 72 points= 0.76 quotient

The top quotient will receive the top seed in the tournament and so forth. Matches played after April 26 will not count towards district seeding.

New Starting Time

Team Tennis Rules

1. Each Team shall consist of three (3) singles players and two (2) doubles Teams. Players may only play one event (singles or doubles). Each Team, listing students in descending order of ability, shall establish a strength ladder line-up from 1 to 10. The first three (3) students shall play singles in the order that they are listed on the ladder line-up. Doubles Teams may be formed at the discretion of the coach from the remaining seven students with the doubles Team having the highest level of ability occupying the number 1 position and the second doubles Team occupying the number 2 position. The ladder submitted for the Team must represent the strongest line-up for that Team. No player will be eligible for a doubles Team unless they are listed on the Team's strength ladder line-up. Teams must submit their ladder line-ups at the beginning of the District Girls Team Tennis Tournament, and that lineup shall stand throughout the entire District and Inter-District Tournaments, with the exception of authorized substitutions for illness, injury, or other extenuating circumstances (as determined by the appropriate Tournament Director).

2. Substitutions may be made only in case of illness, injury, or other extenuating circumstances (as determined appropriate by the Tournament Director). The school's athletic administration and/or head boys' tennis coach shall provide supporting documentation for such substitutions. An ill or injured player may be substituted for and then be reentered in the same position in the Team's strength ladder line-up, upon documented authorization from a physician. Teams are prohibited from making substitutions that would allow an ill or injured player to be moved from playing singles to doubles, and then back to singles when the ill or injured player has recovered, even with a physician's documented authorization. Substitutions may be made by utilizing direct-line substitution ONLY. Substitution of both doubles partners is prohibited if only one of the two players experiences an illness, injury, or other extenuating circumstance. If a singles player is substituted for, any of the remaining seven players shall be utilized in replacing that singles player. However, the resulting three single players must play in order of ability, in accordance with their Team's strength ladder line-up. Doubles Teams do not have to be disrupted in order to replace a singles player. *Moving players around with the intent of gaining a competitive advantage is prohibited and shall subject the Team to default from the Tournament.*

3. ALL matches will consist of the best of three (3), 12-point tiebreak sets. Players may leave the court area for five (5) minutes if they split sets. The Tournament Director reserves the right to stop a match, if it is deemed to be in the best interest of the administration of the Tournament.

4. Coaches and Teams must check in at the Tournament desk for the starting time of their match. Any Team failing to report for a match on time shall be subject to the USTA Point Penalty System (PIAA Modified).

5. Teams are to begin play after a ten-minute warm-up period.

6. “The Code” and the Rules of Tennis, of the United States Tennis Association (USTA), shall govern all play. In addition, the USTA Point Penalty System (PIAA-Modified) shall be followed.

7. The purposes of the USTA Point Penalty System (PIAA-Modified) are to: (a) deter unsportsmanlike conduct, (b) promote compliance by all contestants with the continuous play rule, and (c) promote on-time appearance for matches. The objective of the USTA Point Penalty System (PIAA-Modified) is not to punish but to promote equal compliance by all contestants with the Rules of Tennis.

Parent Behavior

Please stress the following rule with your parents:

Parents are not permitted to make line calls from outside the fence! The calls are to be made by the players **only!!!** Players are to see their coaches/site manager/USTA official if they have issues with calls. The USTA umpire designated by the Site manger may be utilized to overrule bad calls. Comments made to players about calls is considered harassment and be grounds for removal from the matches.
